

SOFT SKILL ASSIGNMENT

Q. Create a 30 seconds video of your self. The video should include the following
- Personal Details - Skills - Job you are looking for - A line to tell employers why
they should hire you – eg: I am a very hardworking and dedicated person.

Ans: Good morning, Sir. My name is Avani Shihora. I have completed my B.Sc. in Chemistry from Atmiya University and my M.Sc. in Chemistry from Saurashtra University. I have learned programming languages like C and C++ and am currently learning Java from Tops Technologies. I am looking for a software development position where I can showcase my technical skills and grow as a developer. I am a fast learner, dedicated to my work, and eager to take on new challenges. This motivates me every day. Thank you for considering me.
